WHEREAS, any capitalized term used herein and not otherwise expressly defined herein shall have the meaning ascribed thereto in the Indenture; and

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of Lakefront Estates Community Development District, as follows:

Section 1. Authorization of Issuance of Series 2025 Bonds. There are hereby authorized and directed to be issued: the Lakefront Estates Community Development District Special Assessment Bonds, Series 2025 (Assessment Area One) (the “Series 2025 Bonds”) in an aggregate principal amount not to exceed \$7,000,000, for the purposes of (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2025 Project, (ii) making a deposit to the Series 2025 Reserve Account in an amount equal to the Series 2025 Reserve Requirement, (iii) paying a portion of the interest coming due on the Series 2025 Bonds, and (iv) paying certain costs of issuance in respect of the Series 2025 Bonds. The Series 2025 Bonds shall be issued under and secured by the Indenture, the form of which by reference is hereby incorporated by reference into this resolution as if set forth in full herein.

Section 2. Details of the Series 2025 Bonds. The District hereby determines that the Series 2025 Bonds shall mature in the amounts and at the times, shall bear interest at the rates, be redeemable at the redemption prices and in the manner as determined by the Chairperson of the Board of Supervisors (the “Chairperson”) or any member of the Board of Supervisors designated

by the Chairperson (a “Designated Member”), prior to the sale of said Series 2025 Bonds, all in a manner consistent with the requirements of the Bond Resolution and within the parameters set forth in Section 5 hereof.

Section 3. First Supplemental Indenture. The District hereby approves and authorizes the execution of the First Supplemental Indenture by the Chairperson or any Designated Member and the Secretary or any Assistant Secretary of the Board of Supervisors (the “Secretary”) and the delivery of the First Supplemental Indenture in substantially the form thereof attached hereto as Exhibit A, with such changes therein as shall be approved by the Chairperson or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer’s approval and the District’s approval of any changes therein from the form of First Supplemental Indenture attached hereto.

Section 4. Negotiated Sale. The Series 2025 Bonds shall be sold by a negotiated sale to the Underwriter. It is hereby determined by the District that a negotiated sale of the Series 2025 Bonds to the Underwriter will best effectuate the purposes of the Act, is in the best interests of the District and is necessitated by, in general, the characteristics of the issues and prevailing market conditions and specifically, the following additional reasons:

(i) because of the complexity of the financing structure of the Series 2025 Bonds, including the pledge of Special Assessments as security for the Series 2025 Bonds, it is desirable to sell the Series 2025 Bonds pursuant to a negotiated sale so as to have an underwriter involved from the outset of the financing to assist in these matters;

(ii) because of changing market conditions for tax-exempt bonds and the necessity of being able to adjust the terms of the Series 2025 Bonds, it is in the best interests of the District to sell the Series 2025 Bonds by a negotiated sale;

(iii) the Underwriter has participated in structuring the issuance of the Series 2025 Bonds and can assist the District in attempting to obtain the most attractive financing for the District;

(iv) the Series 2025 Bonds do not bear a credit rating and will be offered initially only to accredited investors within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder; and

(v) the District will not be adversely affected if the Series 2025 Bonds are not sold pursuant to a competitive sale.

Section 5. Bond Purchase Contract. The District hereby approves the form of the Bond Purchase Contract submitted by the Underwriter and attached hereto as Exhibit B, and the sale of the Series 2025 Bonds by the District upon the terms and conditions set forth in the Bond Purchase Contract is hereby approved. The Chairperson or a Designated Member are each hereby authorized, acting individually, to execute the Bond Purchase Contract and to deliver the Bond Purchase Contract to the Underwriter. The Bond Purchase Contract shall be in substantially the form of the Bond Purchase Contract attached hereto as Exhibit B with such changes, amendments,

modifications, omissions and additions as may be approved by the Chairperson or the Designated Member; provided, however,

(i) If the Series 2025 Bonds are subject to optional redemption, which determination will be made on or before the sale date of the Series 2025 Bonds, the first optional call date and the redemption price shall be determined on or before the Bond Purchase Contract is executed;

(ii) The interest rate on the Series 2025 Bonds shall not exceed an average net interest cost rate, which shall be computed by adding 300 basis points to The Bond Buyer “20 Bond Index” published immediately preceding the first day of the calendar month in which the bonds are sold, as provided in Section 215.84(3), Florida Statutes, as amended;

(iii) The aggregate principal amount of the Series 2025 Bonds shall not exceed \$7,000,000;

(iv) The Series 2025 Bonds shall have a final maturity not later than the maximum term allowed by Florida law, which is currently thirty (30) years of principal amortization; and

(v) The price at which the Series 2025 Bonds shall be sold to the Underwriter shall not be less than 98.0% of the aggregate face amount of the Series 2025 Bonds, exclusive of original issue discount.

Execution by the Chairperson or a Designated Member of the Bond Purchase Contract shall be deemed to be conclusive evidence of approval of such changes.

Section 6. Preliminary Limited Offering Memorandum; Final Limited Offering Memorandum. The District hereby approves the form of the Preliminary Limited Offering Memorandum submitted to this meeting and attached hereto as Exhibit C and authorizes its distribution and use in connection with the limited offering for sale of the Series 2025 Bonds. The preparation of a final Limited Offering Memorandum relating to the Series 2025 Bonds (the “Limited Offering Memorandum”) is hereby approved and the Chairperson or any Designated Member is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the award of the Series 2025 Bonds and, upon such award, to deliver the same to the Underwriter for use by it in connection with the sale and distribution of the Series 2025 Bonds. The Limited Offering Memorandum shall be substantially in the form of the Preliminary Limited Offering Memorandum attached hereto as Exhibit C, with such changes as shall be approved by the Chairperson or Designated Member as necessary to conform the details of the Series 2025 Bonds and such other insertions, modifications and changes as may be approved by the Chairperson or Designated Member. The execution and delivery of the Limited Offering Memorandum by the Chairperson or Designated Member shall constitute evidence of the approval thereof. The District hereby authorizes the use of the Limited Offering Memorandum and the information contained therein in connection with the offering and sale of the Series 2025 Bonds. The Chairperson is further authorized to deem the Preliminary Limited Offering Memorandum “final” within the meaning of Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, in the form as mailed, and in furtherance thereof to execute the

Rule 15c2-12 Certificate evidencing the same substantially in the forms attached hereto as Exhibit D.

Section 7. Continuing Disclosure. The District hereby authorizes and approves the execution and delivery of the Continuing Disclosure Agreement by and among the District, the Dissemination Agent and any landowner constituting an “Obligated Person” under the Continuing Disclosure Agreement, by the Chairperson or a Designated Member substantially in the form presented to this meeting and attached hereto as Exhibit E, with such changes therein as shall be approved by the Chairperson or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer’s approval and the District’s approval of any changes therein from the form of Continuing Disclosure Agreement attached hereto. The Continuing Disclosure Agreement is being executed by the District in order to assist the Underwriter in complying with Rule 15c2-12(b)(5) promulgated by the U.S. Securities and Exchange Commission.

Section 8. Application of Bond Proceeds. The proceeds of the Series 2025 Bonds shall be applied in the manner required in the First Supplemental Indenture.

Section 9. Further Official Action; Ratification of Prior and Subsequent Acts. The Chairperson, the Secretary and each member of the Board of Supervisors of the District and any other proper official of the District are each hereby authorized and directed to execute and deliver any and all documents and instruments (including, without limitation, any documents required by the Trustee to evidence its rights and obligations with respect to the Series 2025 Bonds, any documents required in connection with implementation of a book-entry system of registration, and investment agreements relating to the investment of the proceeds of the Series 2025 Bonds and any agreements in connection with maintaining the exclusion of interest on the Series 2025 Bonds from gross income of the holders thereof) and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution. In the event that the Chairperson or the Secretary is unable to execute and deliver the documents herein contemplated, such documents shall be executed and delivered by the respective designee of such officer or official or any other duly authorized officer or official of the District. The Secretary or any Assistant Secretary is hereby authorized and directed to apply and attest the official seal of the District to any agreement or instrument authorized or approved herein that requires such a seal and attestation. The Chairperson or any Designated Member may, among other things, change the date of any document accompanying this Resolution as an exhibit. Execution by the Chairperson or a Designated Member of such document shall be deemed to be conclusive evidence of approval of such change of date. All of the acts and doings of such members of the Board, the officers of the District, and the agents and employees of the District, which are in conformity with the intent and purposes of this Resolution and the issuance of the Series 2025 Bonds, whether heretofore, or hereafter taken or done, shall be and are hereby ratified, confirmed and approved.

Section 10. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the

remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

Section 11. Inconsistent Proceedings. All resolutions or proceedings, or parts thereof, in conflict with the provisions hereof are to the extent of such conflict hereby repealed or amended to the extent of such inconsistency.

Section 12. Public Meetings. It is hereby found and determined that all formal actions of the District concerning and relating to the adoption of this Resolution and the consummation of the transactions contemplated by this Resolution were adopted in open meetings of the District, and that all deliberations of the District that resulted in such formal action were in meetings open to the public, in compliance with all legal requirements.

Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Series 2025 Bonds, through Direct Participants and Indirect Participants.

During the period for which Cede & Co. is Registered Owner of the Series 2025 Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to Direct Participants and Direct Participants shall be responsible for notices to Indirect Participants, and Direct Participants and Indirect Participants shall be responsible for notices to Beneficial Owners.

The Issuer and the Trustee, if appropriate, shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the Issuer in accordance with the procedures of DTC. In the event of such termination, the Issuer shall select another securities depository and in that event, all references herein to DTC or Cede & Co., shall be deemed to be for reference to such successor. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Series 2025 Bonds in the form of fully registered Series 2025 Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Series 2025 Bonds may be exchanged for an equal aggregate principal amount of Series 2025 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee.

SECTION 2.08. Appointment of Registrar and Paying Agent. The Issuer shall keep, at the designated corporate trust office of the Registrar, books (the “Bond Register”) for the registration, transfer and exchange of the Series 2025 Bonds, and hereby appoints U.S. Bank Trust Company, National Association, as its Registrar to keep such books and make such registrations, transfers, and exchanges as required hereby. U.S. Bank Trust Company, National Association hereby accepts its appointment as Registrar and its duties and responsibilities as Registrar hereunder. Registrations, transfers and exchanges shall be without charge to the Bondholder requesting such registration, transfer or exchange, but such Bondholder shall pay any taxes or other governmental charges on all registrations, transfers and exchanges.

The Issuer hereby appoints U.S. Bank Trust Company, National Association as Paying Agent for the Series 2025 Bonds. U.S. Bank Trust Company, National Association hereby accepts its appointment as Paying Agent and its duties and responsibilities as Paying Agent hereunder.

SECTION 2.09. Conditions Precedent to Issuance of the Series 2025 Bonds. In addition to complying with the requirements set forth in the Master Indenture in connection with the issuance of the Series 2025 Bonds, all the Series 2025 Bonds shall be executed by the Issuer for delivery to the Trustee and thereupon shall be authenticated by the Trustee and delivered to the Issuer or upon its order, but only upon the further receipt by the Trustee of:

ARTICLE III REDEMPTION OF SERIES 2025 BONDS

SECTION 3.01. Redemption Dates and Prices. The Series 2025 Bonds shall be subject to redemption at the times and in the manner provided in Article VIII of the Master Indenture and in this Article III. All payments of the Redemption Price of the Series 2025 Bonds shall be made on the dates hereinafter required. Except as otherwise provided in this Section 3.01, if less than all the Series 2025 Bonds of a maturity are to be redeemed pursuant to an extraordinary mandatory redemption, the Trustee shall select the Series 2025 Bonds or portions of the Series 2025 Bonds to be redeemed by lot. Partial redemptions of Series 2025 Bonds shall, to the extent possible, be made in such a manner that the remaining Series 2025 Bonds held by each Bondholder shall be in Authorized Denominations, except for the last remaining Series 2025 Bond.

The Series 2025 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the Redemption Price of the Series 2025 Bonds shall be made on the dates specified below. Upon any redemption of Series 2025 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the Issuer shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2025 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2025 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2025 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption amount is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

(a) Optional Redemption. The Series 2025 Bonds maturing after May 1, 20[___] may, at the option of the Issuer be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20[___] (less than all Series 2025 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2025 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Series 2025 Optional Redemption Subaccount of the Series 2025 Bond Redemption Account. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2025 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

(b) Extraordinary Mandatory Redemption in Whole or in Part. The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2025 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2025 Prepayment Principal deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account following the payment in whole or in part of Series 2025 Special Assessments on any assessable property within Assessment Area One in accordance with the provisions of Section 4.05(a) of this First Supplemental Trust Indenture, together with any excess moneys transferred by the Trustee from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount as a result of such Prepayment and pursuant to Sections 4.01(f) and 4.05(a) of this First Supplemental Trust Indenture. If such redemption shall be in part, the Issuer shall select such principal amount of Series 2025 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts held by the Trustee hereunder (other than the Series 2025 Rebate Fund and the Series 2025 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2025 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture.

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2025 Acquisition and Construction Account in accordance with the provisions of Section 4.01(a) hereof, not otherwise reserved to complete the Series 2025 Project and transferred to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, together with moneys deposited therein in accordance with the provisions of Section 4.01(a) hereof, as a result of the reduction of the Series 2025 Reserve Requirement.. If such redemption shall be in part, the Issuer shall select such principal amount of Series 2025 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

(c) Mandatory Sinking Fund Redemption. The Series 2025 Bonds maturing on May 1, 20[____] are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2025 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a Redemption Price of 100% of their principal amount plus accrued interest to the date of redemption.

ARTICLE IV
ESTABLISHMENT OF CERTAIN FUNDS AND ACCOUNTS;
ADDITIONAL COVENANTS OF THE ISSUER; PREPAYMENTS;
REMOVAL OF SERIES 2025 SPECIAL ASSESSMENT LIENS

SECTION 4.01. Establishment of Certain Funds and Accounts. (a) The Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the “Series 2025 Acquisition and Construction Account.” Net proceeds of the Series 2025 Bonds shall initially be deposited into the Series 2025 Acquisition and Construction Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture. Funds on deposit in the Series 2025 Acquisition and Construction Account shall only be requested by the Issuer to be applied to the Costs of the Series 2025 Project, subject to Section 4.01(f) herein.

Following the Completion Date for the Series 2025 Project, all moneys remaining in the Series 2025 Acquisition and Construction Account, not otherwise reserved to complete the Series 2025 Project shall be transferred to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, as directed in writing by the District Manager, on behalf of the Issuer to the Trustee to be applied as provided in Section 3.01(b)(iii). The Trustee shall not be responsible for determining the amounts in the Series 2025 Acquisition and Construction Account and subaccounts allocable to the Series 2025 Project or any transfers made to such Accounts in accordance with direction from the District Manager.

The Trustee shall make no such transfers from the Series 2025 Acquisition and Construction Account to the Series 2025 General Redemption Subaccount if an Event of Default exists with respect to the Series 2025 Bonds of which the Trustee has actual knowledge as described in Section 11.06 of the Master Indenture. Except as provided in Section 5.05 and Section 3.01(b)(iii) hereof, only upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, shall the Trustee withdraw moneys from the Series 2025 Acquisition and Construction Account or subaccounts therein. After no funds remain in the Series 2025 Acquisition and Construction Account, such Account shall be closed.

Pursuant to the Master Indenture, the Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the “Series 2025 Costs of Issuance Account.” Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Costs of Issuance Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2025 Costs of Issuance Account to pay the costs of issuing the Series 2025 Bonds. Six months after the issuance of the Series 2025 Bonds, any moneys remaining in the Series 2025 Costs of Issuance Account in excess of the amounts requested to be disbursed by the Issuer shall be deposited into the Series 2025 Interest Account and the Series 2025 Costs of Issuance Account shall be closed. Any deficiency in the amount allocated to pay the cost of issuing the Series 2025 Bonds shall be paid from excess Series 2025 Pledged Revenues on deposit in the Series 2025 Revenue Account as provided in Section 4.02. After no funds remain therein, the Series 2025 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the “Series 2025 Revenue Account.”

Series 2025 Special Assessments (except for Prepayments of Series 2025 Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2025 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2025 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture. The Trustee may conclusively rely that unless expressly indicated in writing by the District as a Prepayment upon deposit thereof with the Trustee, payments of Series 2025 Special Assessments otherwise received by the Trustee are to be deposited into the Series 2025 Revenue Account.

(c) [RESERVED].

(d) Pursuant to Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2025 Interest Account.” Moneys deposited into the Series 2025 Interest Account pursuant to Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture, shall be applied for the purposes provided therein and used to pay interest on the Series 2025 Bonds.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate account within the Debt Service Fund designated as the “Series 2025 Sinking Fund Account.” Moneys shall be deposited into the Series 2025 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture, and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Trust Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the “Series 2025 Reserve Account.” Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture, and such moneys, together with any other moneys deposited into the Series 2025 Reserve Account shall be applied for the purposes provided in the Master Indenture Section 4.01(a) and in this Section 4.01(f) and Section 4.05 of this First Supplemental Trust Indenture. Notwithstanding any provisions in the Master Indenture to the contrary, the Issuer covenants not to substitute the cash and Investment Securities on deposit in the Series 2025 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2025 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2025 Reserve Account and transfer any excess therein above the Series 2025 Reserve Requirement resulting from investment earnings to the Series 2025 Revenue Account in accordance with Section 4.02 hereof.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer receives notice from the District Manager that a landowner wishes to prepay its Series 2025 Special Assessments relating to the benefited property of such landowner, or as a result of a mandatory

true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer, to calculate the principal amount of such Prepayment taking into account a credit against the amount of Series 2025 Prepayment Principal due by the amount of money in the Series 2025 Reserve Account that will exceed the Series 2025 Reserve Requirement for the Series 2025 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the respective landowner from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding any of the foregoing, amounts on deposit in the Series 2025 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2025 Bonds to the Series 2025 General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2025 Special Assessments and applied to redeem a portion of the Series 2025 Bonds is less than the principal amount of Series 2025 Bonds indebtedness attributable to such lands.

In addition, and together with the moneys transferred from the Series 2025 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2025 General Redemption Subaccount, is not sufficient to redeem a principal amount of the Series 2025 Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Series 2025 Revenue Account to round up the amount in the Series 2025 General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2025 Revenue Account shall be made to pay interest on and/or principal of the Series 2025 Bonds for the redemption pursuant to Section 3.01(b)(iii) if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the “Series 2025 Bond Redemption Account” and within such Account, a “Series 2025 General Redemption Subaccount,” a “Series 2025 Optional Redemption Subaccount,” and a “Series 2025 Prepayment Subaccount.” Except as otherwise provided in this First Supplemental Trust Indenture regarding Prepayments or in connection with the optional redemption of the Series 2025 Bonds, moneys to be deposited into the Series 2025 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2025 General Redemption Subaccount.

(h) Moneys that are deposited into the Series 2025 General Redemption Subaccount (including all earnings on investments held therein) shall be used to call for the extraordinary mandatory redemption (i) in whole, pursuant to Section 3.01(b)(ii) hereof, the Outstanding amount of Series 2025 Bonds, or (ii) in whole or in part, pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2025 Prepayment Subaccount (including all earnings on investments held in such Series 2025 Prepayment Subaccount) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2025 Bonds equal to the amount of money transferred to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof. In addition, and together with the moneys transferred from the Series 2025 Reserve Account pursuant to paragraph (f) above, if the amount on deposit in the Series 2025 Prepayment Subaccount is not sufficient to redeem a principal amount of the Series 2025 Bonds in an Authorized Denomination, the Trustee upon written direction from the Issuer, shall be authorized to withdraw amounts from the Series 2025 Revenue Account to deposit to the Series 2025 Prepayment Subaccount to round-up the amount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2025 Revenue Account shall be directed by the Issuer to pay interest on and/or principal of the Series 2025 Bonds for the redemption pursuant to Section 3.01(b)(i) if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(j) The Issuer hereby directs the Trustee to establish a separate account in the Rebate Fund designated as the “Series 2025 Rebate Account.” Moneys shall be deposited into the Series 2025 Rebate Account, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Moneys on deposit in the Series 2025 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2025 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2025 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing November 1, 2025, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2025 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 2026, to the Series 2025 Sinking Fund Account, an amount equal to the principal amount of Series 2025 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2025 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2025 Bonds remain Outstanding, to the Series 2025 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2025 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment

Date, the Trustee shall be authorized to transfer to the Series 2025 Interest Account, the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2025 Costs of Issuance Account upon the written request of the Issuer to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2025 Bonds and next, any balance in the Series 2025 Revenue Account shall remain on deposit in such Series 2025 Revenue Account, unless needed to be transferred to the Series 2025 Prepayment Subaccount for the purposes of rounding the principal amount of a Series 2025 Bond subject to extraordinary mandatory redemption pursuant to Sections 4.01(f) or 4.01(i) hereof to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2025 Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

In addition to a redemption of Series 2025 Bonds from Prepayments on deposit in the Series 2025 Prepayment Subaccount, the Trustee is further authorized, upon written direction from the Issuer, to transfer from the Series 2025 Revenue Account to the Series 2025 General Redemption Subaccount sufficient funds to cause the redemption of the next closest Authorized Denomination of Series 2025 Bonds, as provided in Section 4.01(f) hereof.

SECTION 4.03. Power to Issue Series 2025 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2025 Bonds, to execute and deliver the Series 2025 Indenture and to pledge the Series 2025 Pledged Revenues for the benefit of the Series 2025 Bonds to the extent set forth herein. The Series 2025 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2025 Bonds, except as otherwise permitted under the Master Indenture and in Section 5.04 hereof. The Series 2025 Bonds and the provisions of the Series 2025 Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law and without waiving any sovereign immunity or limitation of liability afforded by Section 768.28, Florida Statutes, or other law, defend, preserve and protect the pledge created by the Series 2025 Indenture and all the rights of the Holders of the Series 2025 Bonds under the Series 2025 Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. Series 2025 Project to Conform to Engineer's Report. Simultaneously with the issuance of the Series 2025 Bonds, the Issuer will promptly proceed to construct and/or acquire the Series 2025 Project, as described in Exhibit A hereto and in the Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of Series 2025 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2025 Special Assessments may, at its option, or as a result of acceleration of the Series 2025 Special Assessments because of non-payment thereof, shall, or by operation of law, require the Issuer to

reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2025 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2025 Special Assessment, which shall constitute Series 2025 Prepayment Principal, plus, except as provided below, accrued interest to the next succeeding Quarterly Redemption Date (or the first succeeding Quarterly Redemption Date that is at least forty-five (45) days after such Prepayment, if such Prepayment is made within forty-five (45) calendar days before the next succeeding Quarterly Redemption Date, as the case may be), attributable to the property subject to Series 2025 Special Assessments owned by such owner. To the extent that such Prepayments are to be used to redeem Series 2025 Bonds pursuant to Section 3.01(b)(i) hereof, in the event the amount on deposit in the Series 2025 Reserve Account will exceed the Series 2025 Reserve Requirement for the Series 2025 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting extraordinary mandatory redemption in accordance with Section 3.01(b)(i) of this First Supplemental Trust Indenture of Series 2025 Bonds, the excess amount shall be transferred from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount, as a credit against the Series 2025 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the Issuer to the Trustee together with a certificate of a Responsible Officer of the Issuer, upon which the Trustee may conclusively rely, stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2025 Reserve Account to equal or exceed the Series 2025 Reserve Requirement.

(b) Upon receipt of Series 2025 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official improvement lien book of the District that the Series 2025 Special Assessment has been paid in whole or in part and that such Series 2025 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2025 Bonds pursuant to Section 3.01(b)(i) forty-five (45) days prior to each Quarterly Redemption Date.

ARTICLE V

COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2025 Special Assessments. The Series 2025 Special Assessments levied for each full year on platted lots shall be collected pursuant to the uniform method provided for in Sections 197.3632 and 197.3635 Florida Statutes, (the “Uniform Method”) unless the District determines that it is in its best interests to collect directly. The Series 2025 Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method unless the District determines that it is in its best interests to do so. Prior to an Event of Default, the election to collect and enforce Series 2025 Special Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the District from electing to collect and enforce Series 2025 Special Assessments pursuant to any other method permitted by law in any subsequent year. Following an Event of Default, Series 2025 Special Assessments levied on platted lots shall be collected pursuant to the Uniform Method and Series 2025 Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless the Trustee, acting at the direction of the Majority Holders of the Series 2025 Bonds Outstanding, provides written consent/direction to a different method of collection. All Series 2025 Special Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by the landowner no later than thirty (30) days prior to each Interest Payment Date; provided, however, that such Series 2025 Special Assessments shall not be deemed to be delinquent unless and until they are not paid by the applicable Interest Payment Date with respect to which they have been billed. The applicable assessment methodology report shall not be materially amended without the written consent of the Majority Holders, which consent shall be deemed given if no response is received within sixty (60) days of a written request therefor.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer and the Series 2025 Landowner have executed and delivered a Continuing Disclosure Agreement in order to assist the Underwriter in complying with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. FORM OF BOND PURCHASE CONTRACT

**LAKEFRONT ESTATES COMMUNITY DEVELOPMENT DISTRICT
(GLADES COUNTY, FLORIDA)**

\$[_____]]
**SPECIAL ASSESSMENT BONDS, SERIES 2025
(ASSESSMENT AREA ONE)**

BOND PURCHASE CONTRACT

[_____] , 2025

Board of Supervisors
Lakefront Estates Community Development District
Glades County, Florida

Dear Board of Supervisors:

FMSbonds, Inc. (the "Underwriter") offers to enter into this Bond Purchase Contract (the "Purchase Contract") with Lakefront Estates Community Development District (the "District"). The District is located entirely within unincorporated Glades County, Florida (the "County"). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the "Board"), expire at 4:00 P.M. prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (as hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its \$[_____] aggregate principal amount of Lakefront Estates Community Development District Special Assessment Bonds, Series 2025 (Assessment Area One) (the "Series 2025 Bonds"). The Series 2025 Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Series 2025 Bonds shall be \$[_____] (representing the \$[_____] .00 aggregate principal amount of the Series 2025 Bonds, [plus/less net original issue premium/discount of \$[_____] and] less an underwriter's discount of \$[_____]). The payment for and delivery of the Series 2025 Bonds and the other actions contemplated hereby to take place at the Closing Date (as hereinafter defined) being hereinafter referred to as the "Closing."

2. The Series 2025 Bonds. The Series 2025 Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State"), created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (collectively, the "Act"), and by Ordinance No. 2023-7 duly enacted by the Board of County Commissioners of Glades County on April 11, 2023, which became effective on April 18, 2023 (the "Ordinance"). The Series 2025 Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of [_____] 1, 2025 (the "Master Indenture"), as amended and supplemented by a First Supplemental Trust Indenture dated as of [_____] 1, 2025 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company,

National Association, as trustee (the "Trustee"), and Resolution Nos. 2023-30 and 2025-[] adopted by the Board on December 20, 2023 and [March 19], 2025, respectively (collectively, the "Bond Resolution"). The Series 2025 Special Assessments, constituting the Series 2025 Pledged Revenues for the Series 2025 Bonds, will have been, or will be prior to the time of Closing, levied by the District on the lands within the District specially benefited by the Series 2025 Project pursuant to the Assessment Resolutions (as such terms are defined in the Indenture).

3. Limited Offering; Establishment of Issue Price. It shall be a condition to the District's obligation to sell and to deliver the Series 2025 Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Series 2025 Bonds, that the entire principal amount of the Series 2025 Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2025 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in a form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2025 Bonds.

(b) Except as otherwise indicated in Exhibit B, the District will treat the first price at which 10% of each maturity of the Series 2025 Bonds (the "10% test") is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which the Underwriter has sold to the public each maturity of Series 2025 Bonds. If at that time the 10% test has not been satisfied as to any maturity, the Underwriter agrees to promptly report to the District the prices at which the Series 2025 Bonds of that maturity have been sold by the Underwriter to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Series 2025 Bonds of that maturity or until all Series 2025 Bonds of that maturity have been sold to the public provided that, the Underwriter's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Issuer or bond counsel. For purposes of this Section, if Series 2025 Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Series 2025 Bonds.

(c) The Underwriter confirms that it has offered the Series 2025 Bonds to accredited investors constituting the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturities of the Series 2025 Bonds, if any, for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2025 Bonds, the Underwriter will neither offer nor sell unsold Series 2025 Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2025 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the District promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Series 2025 Bonds to the public at a price that is no higher than the initial offering price to the public.

(d) The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Series 2025 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (i) to report the prices at which it sells to the public the unsold Series 2025 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2025 Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Series 2025 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Series 2025 Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Series 2025 Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Series 2025 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Series 2025 Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Series 2025 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2025 Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Series 2025 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The District acknowledges that, in making the representations set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Series 2025 Bonds to the public, the agreement of each dealer

who is a member of the selling group to comply with the requirements for establishing issue price of the Series 2025 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2025 Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Series 2025 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Series 2025 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2025 Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The District further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Series 2025 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2025 Bonds.

(f) The Underwriter acknowledges that sales of any Series 2025 Bond to any person that is a related party to an Underwriter participating in the initial sale of the Series 2025 Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the Underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2025 Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2025 Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Series 2025 Bonds to the public),

(iii) a purchaser of any of the Series 2025 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Purchase Contract by all parties.

4. Use of Documents. Prior to the date hereof, the District has caused to be prepared and has provided to the Underwriter a Preliminary Limited Offering Memorandum, dated [____], 2025 (the "Preliminary Limited Offering Memorandum"), of the District, relating to the Series 2025 Bonds that the District has deemed final as of its date, except for certain permitted omissions (the "Permitted Omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") in connection with the limited offering of the Series 2025 Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date

hereof, authorized the use of the Preliminary Limited Offering Memorandum by the Underwriter in connection with the limited offering of the Series 2025 Bonds. The District shall deliver, or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than the Closing Date (as hereinafter defined) and in sufficient time to accompany any confirmation that requests payment from any customer such number of copies of the final Limited Offering Memorandum (the "Limited Offering Memorandum" and, together with the Preliminary Limited Offering Memorandum, the "Limited Offering Memoranda") as the Underwriter shall reasonably request to comply with the requirements of the Rule and all applicable rules of the Municipal Securities Rulemaking Board (the "MSRB"). The Underwriter agrees to file the Limited Offering Memorandum with the MSRB not later than two (2) business days after the Closing Date. The Underwriter agrees that it will not confirm the sale of any Series 2025 Bonds unless a final written confirmation of sale is accompanied or preceded by the delivery of a copy of the Limited Offering Memorandum. The District hereby approves the circulation and use by the Underwriter of the Limited Offering Memoranda with respect to the Series 2025 Bonds.

5. Definitions. For purposes hereof, (a) this Purchase Contract, the Series 2025 Bonds, the Indenture, the Continuing Disclosure Agreement to be dated as of the Closing Date, by and among the District, Okeechobee Community Developers, LLC, a Florida limited liability company (the "Developer"), and Governmental Management Services - Central Florida, LLC, a Florida limited liability company, as dissemination agent (the "Dissemination Agent"), in substantially the form attached to the Preliminary Limited Offering Memorandum as APPENDIX E thereto (the "Disclosure Agreement") and the DTC Blanket Issuer Letter of Representations entered into by the District are referred to herein collectively as the "Financing Documents," and (b) [the Agreement by and between the District and the Developer Regarding the Completion of District Improvements dated as of the Closing Date (the "Completion Agreement"), the Agreement by and between the District and the Developer Regarding the Acquisition of Work Product, Improvements, and Real Property dated as of the Closing Date (the "Acquisition Agreement"), the Collateral Assignment and Assumption of Development Rights by and between the District and the Developer, dated as of the Closing Date in recordable form (the "Collateral Assignment"), the Agreement by and between the District and the Developer Regarding the True-Up and Payment of Assessments dated as of the Closing Date in recordable form (the "True-Up Agreement"), and the Declaration of Consent to Jurisdiction of Lakefront Estates Community Development District and to Imposition of Special Assessments (Assessment Area One Assessments) dated as of the Closing Date, executed by the Developer and to be recorded in the public records of Glades County, Florida (the "Declaration of Consent") are collectively referred to herein as the "Ancillary Agreements."]

Bond Resolution, the Assessment Resolutions, the Financing Documents, the Ancillary Agreements and the Series 2025 Bonds;

Upon execution and delivery by the District and the Trustee (and assuming the due authorization, execution and delivery of the Indenture by the Trustee), the Indenture will constitute a legal, valid and binding obligation of the District, enforceable in accordance with its terms, subject only to applicable bankruptcy, insolvency, and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law). (d) Except as may be expressly disclosed in the Preliminary Limited Offering Memorandum, the District is not in material breach of or material default under any applicable provision of the Act or any applicable constitutional provision or statute or, to the best of its knowledge, administrative regulation of the State or the United States of America or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement, or other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of its knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or material event of default under any such instrument; and the execution and delivery of the Series 2025 Bonds, the Financing Documents, the Ancillary Agreements and the Limited Offering Memorandum, the approval of the delivery of the Preliminary Limited Offering Memorandum, and the adoption of the Bond Resolution and the Assessment Resolutions, and compliance with the provisions on the District's part contained therein, will not conflict with or constitute a material breach of or material default under any applicable constitutional provision, or law, or, to the best of its knowledge, any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement, or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption, or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as provided by the Assessment Resolutions, the Series 2025 Bonds and the Indenture. To the best of its knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute an event of default (as therein defined) under the Series 2025 Bonds, the Financing Documents or the Ancillary Agreements;

The Series 2025 Bonds maturing after May 1, 20[] may, at the option of the District be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20[] (less than all Series 2025 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2025 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Series 2025 Optional Redemption Subaccount of the Series 2025 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2025 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

Upon any redemption of Series 2025 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2025 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2025 Bonds. If such redemption shall be in part, the District

shall select such principal amount of Series 2025 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level;

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts held by the Trustee under the First Supplemental Indenture (other than the Series 2025 Rebate Fund and the Series 2025 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2025 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture; and

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2025 Acquisition and Construction Account in accordance with the provisions of the First Supplemental Indenture, not otherwise reserved to complete the Series 2025 Project and transferred to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, together with moneys deposited therein in accordance with the provisions of the First Supplemental Indenture, as a result of the reduction of the Series 2025 Reserve Requirement. If such redemption shall be in part, the District shall select such principal amount of Series 2025 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

"Quarterly Redemption Date" shall mean each February 1, May 1, August 1, and November 1 of any calendar year.

Notwithstanding the foregoing, no attorney-client relationship has existed or exists between the undersigned and the Underwriter, Developer or Trustee in connection with the Bonds by virtue of this opinion. This opinion may not be relied on by any other party or for any other purpose without our prior written consent.

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, Florida Statutes (the "Act"), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Series 2025 Bonds and the Bond Agreements; (b) to issue the Series 2025 Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Pledged Revenues to secure the Series 2025 Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Series 2025 Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to levy and impose the Debt Assessments as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Agreements** – The (a) Bond Resolution, (b) Assessment Resolution, (c) Bonds, (d) Indenture, and (e) Bond Agreements (assuming due authorization, execution and delivery of documents (c) – (e) listed herein by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, have been duly approved and adopted and/or issued by the District, are in full force and effect, constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Series 2025 Bonds have been fulfilled.

4. **Validation** – The Series 2025 Bonds have been validated by a final judgment of the Circuit Court in and for Glades County, Florida, of which no timely appeals were filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Series 2025 Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the

execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. ***PLOM and LOM*** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the BPA, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Prepayment of Series 2025 Special Assessments" (as to the first two paragraphs thereof), "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaption "The District Manager and Other Consultants"), "THE DEVELOPMENT – Developer Agreements" (solely as to the description of the agreements), "AGREEMENT BY THE STATE," "LEGALITY FOR INVESTMENT," "LITIGATION – The District," "CONTINUING DISCLOSURE" (as it relates to the District only), "VALIDATION," and "AUTHORIZATION AND APPROVAL," and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Series 2025 Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. ***Litigation*** – Based upon inquiry of the District's Registered Agent for service of process and the fact that said Registered Agent has not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Series 2025 Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Pledged Revenues pledged for the payment of the debt service on the Series 2025 Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Series 2025 Bonds or the validity or enforceability of the Series 2025 Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Series 2025 Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Series 2025 Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Series 2025 Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake Series 2025 Project*** – The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the Series 2025 Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

D. CERTAIN ASSUMPTIONS

In rendering the foregoing opinions, we have assumed the following: (1) that all public records, certifications, agreements and other documents examined by us that have been executed or certified by public officials acting within the scope of their official capacities are authentic, truthful and accurate; (2) that copies of such public records, certifications, agreements, and other documents furnished to us are authentic and conform to the originals; (3) that all signatures on executed public records, certifications, agreements and other documents are genuine; and (4) that all public records, certifications, agreements and other documents have been properly authorized and are binding on each of the other parties thereto; and (5) the continued application of the legislative determinations of the District's Board of Supervisors. Such assumptions do not apply to District documents.

E. CERTAIN QUALIFICATIONS

The foregoing opinions are subject to the following qualifications:

1. The opinions or statements expressed above are based solely on the laws of Florida in effect at the time of issuance of the Series 2025 Bonds. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government (including but not limited to the Internal Revenue Code or any proposed changes thereto), or any other state or other jurisdiction.

2. Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws, relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.

3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.

4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code.

5. We express no opinion and make no representations with regard to financial, statistical or other similar information or data. We express no opinion as to compliance with any state or federal tax laws.

6. Except as set forth in Section C.9., we express no opinion and make no representations as to the Series 2025 Project, including but not limited to the costs, estimates, projections, status, technical provisions or anything else related to the Series 2025 Project.

7. We have not reviewed, and therefore express no opinion, regarding any land use, real property or other related items, including but not limited to whether the Developer is able to convey good and marketable title to any particular real property or interest therein and related to the Series 2025 Project.

8. With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase "to our knowledge," the words "to our knowledge" signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and

no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of District.

9. The opinions set forth herein are based on factual representations made to us as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of a particular result, and are not binding on the courts or any other entity; rather, our opinions represent our professional judgment based on our review of existing law, and in reliance on the representations and covenants that we deem relevant to such opinions.

Re: \$[____] Lakefront Estates Community Development District Special Assessment
 Bonds, Series 2025 (Assessment Area One) (the "Series 2025 Bonds")

Ladies and Gentlemen:

We are counsel to Okeechobee Community Developers, LLC, a Florida limited liability company (the "Developer"), which is the owner and developer of certain land located in Glades County, Florida and being developed as a residential community to be known as "[Lakefront Estates]," as such lands are described in the Limited Offering Memoranda (as hereinafter defined). This opinion is rendered at the request of the Developer in connection with the issuance by the Lakefront Estates Community Development District (the "District") of the above-referenced Bonds, as further described in the District's Preliminary Limited Offering Memorandum dated [____], 2025 and the District's final Limited Offering Memorandum, dated [____], 2025, including the appendices attached thereto (collectively, the "Limiting Offering Memoranda"). Capitalized terms not defined herein shall have the meaning set forth in the Limited Offering Memoranda.

It is our understanding that the Series 2025 Bonds are being issued for the purposes of: (i) providing funds to pay a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2025 Project, (ii) funding a deposit to the Series 2025 Reserve Account in the amount of the Series 2025 Reserve Requirement, (iii) paying a portion of the interest coming due on the Series 2025 Bonds and (iv) paying the costs of issuance of the Series 2025 Bonds.

In our capacity as counsel to the Developer, we have examined originals or copies identified to our satisfaction as being true copies of the Limiting Offering Memoranda, the Continuing Disclosure Agreement to be dated as of the Closing Date (the "Continuing Disclosure Agreement"), by and among the District, the Developer, and Special District Services, Inc., as dissemination agent, the Agreement by and between the District and the Developer Regarding the Completion of District Improvements dated as of the Closing Date (the "Completion Agreement"), the Agreement by and between the District and the Developer

Regarding the Acquisition of Work Product, Improvements, and Real Property dated as of the Closing Date (the "Acquisition Agreement"), the Collateral Assignment and Assumption of Development Rights by and between the District and the Developer dated as of the Closing Date (the "Collateral Assignment"), the Agreement by and between the District and the Developer Regarding the True-Up and Payment of Assessments dated as of the Closing Date (the "True-Up Agreement"), and the Declaration of Consent to Jurisdiction of the District, Imposition of Special Assessments dated as of the Closing Date and executed by the Developer (the "Declaration of Consent") (collectively, the "Documents") and have made such examination of law as we have deemed necessary or appropriate in rendering this opinion. In connection with the forgoing, we also have reviewed and examined (i) the Articles of Organization of the Developer dated as of October 28, 2021, (ii) the Developer's Amended and Restated Operating Agreement dated as of June [___], 2022, and (iii) certificate of good standing issued by the State of Florida on [_____], 2025 (collectively, the "Organizational Documents").

In rendering this opinion, we have assumed, without having made any independent investigation of the facts, the genuineness of all signatures (other than those of the Developer) and the authenticity of all documents submitted to us as originals and the conformity to original documents of all documents submitted to me as certified, conformed or photostatic copies, and the legal capacity of all natural persons.

In basing the opinions set forth in this opinion on "our knowledge," the words "our knowledge" signify that, in the course of our representation of Developer, no facts have come to our attention that would give us actual knowledge or actual notice that any such opinions or other matters are not accurate. Except as otherwise stated in this opinion, we have undertaken no investigation or verification of such matters.

Based on the forgoing, we are of the opinion that:

1. The Developer is a limited liability company organized and existing under the laws of the State of Florida and duly authorized to transact business therein.
2. The Developer has the power to conduct its business and to undertake the funding of the development of the District Lands as described in the Limited Offering Memoranda and to enter into the Documents.
3. The Documents have been duly authorized, executed and delivered by the Developer and are in full force and effect. Assuming the due authorization, execution and delivery of such instruments by the other parties thereto and their authority to perform such instruments, the Documents constitute legal, valid and binding obligations of the Developer, enforceable in accordance with their respective terms.
4. Nothing has come to our attention that would lead us to believe the information contained in the Limited Offering Memoranda under the captions "THE DEVELOPMENT," "THE DEVELOPER," "LITIGATION – The Developer" and "CONTINUING DISCLOSURE" (as it relates to the Developer only) does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the dates of the Limited Offering Memoranda or as of the date hereof.
5. The execution, delivery and performance of the Documents by the Developer do not violate (i) the Organizational Documents of the Developer, (ii) to our knowledge, any agreement, instrument or Federal or Florida law, rule or regulation known to us to which the Developer is a party or by which any of the Developer's assets are or may be bound; or (iii) to our knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on the Developer or its assets.

6. Nothing has come to our attention that would lead us to believe that the Developer is not in compliance in all material respects with all provisions of applicable law in all material matters relating to such entity as described in the Limited Offering Memoranda. Except as otherwise described in the Limited Offering Memoranda, (a) we have no knowledge that the Developer has not received all government permits, consents and licenses required in connection with the construction and completion of the Series 2025 Project and the development of the lands in Assessment Area One as described in the Limited Offering Memoranda; (b) we have no knowledge of any default of any zoning condition, land use permit or development agreement which would adversely affect the Developer's ability to complete the Series 2025 Project and the development of the lands in Assessment Area One as described in the Limited Offering Memoranda and all appendices thereto; and (c) we have no knowledge and am not otherwise aware of any reason to believe that any permits, consents and licenses required to complete the Series 2025 Project or the development of the lands in Assessment Area One as described in the Limited Offering Memoranda will not be obtained in due course as required by the Developer.

7. LIMITED OFFERING MEMORANDUM

LAKEFRONT ESTATES COMMUNITY DEVELOPMENT DISTRICT (GLADES COUNTY, FLORIDA)

[\$[6,155,000]* SPECIAL ASSESSMENT BONDS, SERIES 2025 (ASSESSMENT AREA ONE)

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page, inside cover and appendices hereto, is to provide certain information in connection with the issuance and sale by Lakefront Estates Community Development District (the "District" or the "Issuer") of its \$[6,155,000]* aggregate principal amount of Special Assessment Bonds, Series 2025 (Assessment Area One) (the "Series 2025 Bonds").

PROSPECTIVE INVESTORS SHOULD BE AWARE OF CERTAIN RISK FACTORS, ANY OF WHICH, IF MATERIALIZED TO A SUFFICIENT DEGREE, COULD DELAY OR PREVENT PAYMENT OF PRINCIPAL OF AND/OR INTEREST ON THE SERIES 2025 BONDS. THE SERIES 2025 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2025 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES PROMULGATED THEREUNDER. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2025 BONDS. SEE "SUITABILITY FOR INVESTMENT" AND "BONDOWNERS' RISKS" HEREIN.

The District is a local unit of special-purpose government of the State of Florida (the "State"), created in accordance with the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2023-7 duly enacted by the Board of County Commissioners of Glades County, Florida (the "County") on April 11, 2023, which became effective on April 18, 2023 (the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands (as defined herein). The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The District encompasses approximately 526 gross acres of land (the "District Lands"), located within an unincorporated portion of the County. The Development is located east of State Road 78 and north of Tomato Grade Road. For more complete information about the District, its Board of Supervisors and the District Manager, see "THE DISTRICT" herein.

* Preliminary, subject to change.

The District Lands are being developed as a residential community known as "[Lakefront Estates]" (the "Development"). At buildout, the Development is planned to contain 1,300 residential units and 792,150 square feet of commercial uses – including two schools, four office buildings, two shopping plazas, a warehouse, a medical building, an emergency vehicle garage, a bank, a grocery store, two shuls and a mikvah. See "THE DEVELOPMENT" herein for more information.

The Development is being developed in phases. The first phase of development corresponds to Phase 1A and contains approximately [____] acres of land planned for 196 residential units and approximately 209,836 square feet of commercial uses — including a 61,496-square foot shopping plaza, a 49,854-square foot school and event hall, a 65,000-square foot grocery store, a 14,360-square foot shul, and a 4,660-square foot mikvah ("Assessment Area One").

The Series 2025 Bonds will finance a portion of the public infrastructure improvements associated with the development of Assessment Area One (the "Series 2025 Project"). The public infrastructure associated with the development of the remaining 364 lots planned for the Development will be financed in the future. See "THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2025 PROJECT" herein for more information.

The Series 2025 Bonds will be secured by the Series 2025 Special Assessments (as defined herein), which will initially be levied on the [____] acres of land within Assessment Area One. As lots are platted therein, the Series 2025 Special Assessments will be assigned to platted lots on a first-platted, first-assigned basis to the residential and commercial uses planned for Assessment Area One in accordance with the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY" hereto for more information regarding the Series 2025 Special Assessments.

It is anticipated that the District will issue one or more additional series of bonds to finance the remaining public infrastructure improvements for the District. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Additional Bonds" herein for more information.

Okeechobee Community Developers, LLC, a Florida limited liability company (the "Developer"), is the developer and primary homebuilder for the Development and owns all of the land within Assessment Area One. See "THE DEVELOPER" herein for more information.

The Series 2025 Bonds are being issued pursuant to the Act, Resolution No. 2023-30 and Resolution No. 2025-[02] adopted by the Board of Supervisors (the "Board") of the District on December 20, 2023 and [March 19], 2025 (collectively, the "Resolution"), and a Master Trust Indenture dated as of [_____] 1, 2025 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture, dated as [_____] 1, 2025 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" hereto.

The Series 2025 Bonds are being issued for the purposes of: (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2025 Project, (ii) funding a deposit to the Series 2025 Reserve Account in the amount of the Series 2025 Reserve Requirement (each as defined herein), (iii) paying a portion of the interest coming due on the Series 2025 Bonds and (iv) paying the costs of issuance of the Series 2025 Bonds. See "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2025 Bonds are payable from and secured solely by the Series 2025 Pledged Revenues. The Series 2025 Pledged Revenues for the Series 2025 Bonds consist of (a) all revenues received by the District from the Series 2025 Special Assessments levied and collected on the assessable lands within Assessment Area One, benefitted by the Series 2025 Project, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2025 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2025 Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Indenture, created and established with respect to or for the benefit of the Series 2025 Bonds; provided, however, that Series 2025 Pledged Revenues shall not include (A) any moneys transferred to the Series 2025 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2025 Costs of Issuance Account of the Acquisition and Construction Fund and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act, for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses of (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" herein.

Set forth herein are brief descriptions of the District, Assessment Area One, the Series 2025 Project, the Developer and the Development, together with summaries of terms of Series 2025 Bonds, the Indenture, and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and the Act and all references to the Series 2025 Bonds are qualified by reference to the definitive forms thereof and the information with respect thereto contained in the Indenture. Proposed forms of the Master Indenture and the First Supplemental Indenture appear as APPENDIX B attached hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

DESCRIPTION OF THE SERIES 2025 BONDS

General Description

The Series 2025 Bonds are being issued only in fully registered form, in denominations of \$5,000 or any integral multiples thereof (an "Authorized Denomination"). The Series 2025 Bonds will initially be sold only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules promulgated thereunder by the Florida Department of Financial Services. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds. See "SUITABILITY FOR INVESTMENT" herein.

The Series 2025 Bonds shall be dated as of the date of initial delivery. Interest on the Series 2025 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. "Interest Payment Date" means May 1 and November 1 of each year, commencing November 1, 2025. Interest on the Series 2025 Bonds shall be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a May 1 or November 1 to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to November 1, 2025, in which case from the date of initial delivery or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date. U.S. Bank Trust Company, National Association is the initial Trustee, Paying Agent and Registrar for the Series 2025 Bonds. Interest on the Series 2025 Bonds will be computed in all cases on the basis of a 360-day year consisting of twelve 30-day months.

Upon initial issuance, the Series 2025 Bonds shall be issued as one fully registered bond for each maturity of Series 2025 Bonds and deposited with The Depository Trust Company ("DTC") which is responsible for establishing and maintaining records of ownership for its participants. As long as the Series 2025 Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes of the Indenture. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("Direct Participants") and other institutions that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Direct Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2025 Bonds ("Beneficial Owners"). Principal and interest on the Series 2025 Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC, the Trustee or the District. During the period for which Cede & Co. is registered owner of the Series 2025 Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to Direct Participants and Direct Participants shall be responsible for notices to Indirect Participants, and Direct Participants and Indirect Participants shall be responsible for notices to Beneficial Owners. In the event DTC, any successor of DTC or the District, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system for the Series 2025 Bonds, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor, and after such time the Series 2025 Bonds may be exchanged for an equal aggregate principal amount of such Series 2025 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee. See "– Book-Entry Only System" herein.

U.S. Bank Trust Company, National Association is the initial Trustee, Paying Agent and Registrar for the Series 2025 Bonds.

Redemption Provisions

Optional Redemption

The Series 2025 Bonds maturing after May 1, 20[] may, at the option of the District be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20[] (less than all Series 2025 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2025 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Series 2025 Optional Redemption Subaccount of the Series 2025 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2025 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

Mandatory Sinking Fund Redemption

The Series 2025 Bonds maturing on May 1, 20[] are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2025 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a Redemption Price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption of Series 2025 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2025 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2025 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2025 Bonds in any year. In the event of a redemption or purchase occurring less than 45 days prior to a date on which a mandatory sinking fund redemption amount is due, the foregoing recalculation shall not be made to the mandatory sinking

fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption

The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2025 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2025 Prepayment Principal deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account following the payment in whole or in part of Series 2025 Special Assessments on any assessable property within the District in accordance with the provisions of the First Supplemental Indenture, together with any excess moneys transferred by the Trustee from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount as a result of such Prepayment and pursuant the First Supplemental Indenture. If such redemption shall be in part, the District shall select such principal amount of Series 2025 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level;

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts held by the Trustee under the First Supplemental Indenture (other than the Series 2025 Rebate Fund and the Series 2025 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2025 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture; and

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2025 Acquisition and Construction Account in accordance with the provisions of the First Supplemental Indenture, not otherwise reserved to complete the Series 2025 Project and transferred to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, together with moneys deposited therein in accordance with the provisions of the First Supplemental Indenture, as a result of the reduction of the Series 2025 Reserve Requirement. If such redemption shall be in part, the District shall select such principal amount of Series 2025 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

"Quarterly Redemption Date" shall mean each February 1, May 1, August 1, and November 1 of any calendar year.

Notice of Redemption

When required to redeem or purchase Series 2025 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be mailed at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2025 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2025 Bonds for which notice was duly mailed in accordance with the Indenture. If, at the time of mailing of notice of an optional redemption, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all of the Series 2025 Bonds called for redemption, such notice shall expressly state that the redemption is conditional and is subject to the deposit of the redemption moneys with the Trustee or Paying Agent, as the case may be, not later than the opening

of business on the redemption date or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

Purchase of Series 2025 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2025 Sinking Fund Account to the purchase of the Series 2025 Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

Book-Entry Only System

The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC and neither the District nor the Placement Agent make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC") will act as securities depository for the Series 2025 Bonds. The Series 2025 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2025 Bond certificate will be issued for each maturity of the Series 2025 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2025 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2025 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2025 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership

interests in the Series 2025 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2025 Bonds, except in the event that use of the book-entry system for the Series 2025 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2025 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2025 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2025 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2025 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2025 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2025 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2025 Bond documents. For example, Beneficial Owners of Series 2025 Bonds may wish to ascertain that the nominee holding the Series 2025 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2025 Bonds within a series or maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such series or maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2025 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2025 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2025 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Series 2025 Bonds purchased or tendered, through its Participant, to the Trustee, and shall effect delivery of such Series 2025 Bonds by causing the Direct Participant to transfer the Participant's interest in the Series 2025 Bonds, on DTC's records, to the Trustee. The requirement for physical delivery of Series 2025 Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Series 2025 Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Series 2025 Bonds to the Trustee's DTC account.

DTC may discontinue providing its services as depository with respect to the Series 2025 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2025 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository) pursuant to the procedures of DTC. In that event, Security certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS

General

THE SERIES 2025 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2025 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE, AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2025 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION SERIES 2025 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2025 BONDS. THE SERIES 2025 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2025 Bonds are payable from and secured solely by the Series 2025 Pledged Revenues. The Series 2025 Pledged Revenues for the Series 2025 Bonds consist of (a) all revenues received by the District from the Series 2025 Special Assessments levied and collected on the assessable lands within Assessment Area One, benefitted by the Series 2025 Project, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2025 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2025 Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Indenture, created and established with respect to or for the benefit of the Series 2025 Bonds; provided, however, that Series 2025 Pledged Revenues shall not include (A) any moneys transferred to the Series 2025 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2025 Costs of Issuance Account of the Acquisition and Construction Fund and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act, for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3), of the Act (it being expressly understood that the lien

and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses of (A), (B) and (C) of this proviso).

The "Series 2025 Special Assessments" consist of the non-ad valorem special assessments imposed and levied by the District against the assessable lands within the District specially benefited by the Series 2025 Project, or any portions thereof, pursuant to Section 190.022 of the Act, Chapters 170 and 197, Florida Statutes, and the Assessment Resolutions (as defined in the Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"). Non-ad valorem assessments are not based on millage and are not taxes, but constitute a lien against the land as to which the Series 2025 Special Assessments are imposed, including homestead property as permitted in Section 4, Article X of the Florida State Constitution. The Series 2025 Special Assessments will constitute a lien against the land as to which the Series 2025 Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. The Series 2025 Special Assessments will initially be levied on all of gross acres of land within Assessment Area One of the District.

The Series 2025 Special Assessments are levied in an amount corresponding to the debt service on the Series 2025 Bonds on the basis of benefit received by the assessable lands within the District as a result of the Series 2025 Project. The Assessment Methodology (as hereinafter defined), which describes the methodology for allocating the Series 2025 Special Assessments to the assessable lands within the District, is included as APPENDIX D attached hereto.

In the Master Indenture, the District will covenant that, if any Series 2025 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2025 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2025 Special Assessment when it might have done so, the District shall either (i) take all necessary steps to cause a new Series 2025 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement or (ii) in its sole discretion, make up the amount of such Series 2025 Special Assessment from any legally available moneys, which shall be deposited into the Series 2025 Revenue Account. In the case such second Series 2025 Special Assessment shall be annulled, the District shall obtain and make other Series 2025 Special Assessments until a valid Series 2025 Special Assessment shall be made.

Prepayment of Series 2025 Special Assessments

The Assessment Proceedings provide that an owner of property subject to the Series 2025 Special Assessments may prepay the entire remaining balance of such Series 2025 Special Assessments at any time, or a portion of the remaining balance of such Series 2025 Special Assessment one time, if there is also paid, in addition to the prepaid principal balance of the Series 2025 Special Assessment, an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding interest payment date for the Series 2025 Bonds or, if prepaid during the forty-five (45) day period preceding such interest payment date, to the interest payment date following such next succeeding interest payment date. Prepayment of the Series 2025 Special Assessments does not entitle the property owner to any discounts for early payment.

Pursuant to the Act and the Assessment Proceedings, an owner of property subject to the levy of Series 2025 Special Assessments may pay the entire balance of the Series 2025 Special Assessments remaining due, without interest, within thirty (30) days after the Series 2025 Project has been completed, and the Board has adopted a resolution accepting the Series 2025 Project pursuant to Chapter 170.09, Florida Statutes. The Developer, as the sole owner of the assessable property in Assessment Area One within the District, will waive this right on behalf of itself and its successors and assigns in connection with

the issuance of the Series 2025 Bonds. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

The Series 2025 Bonds are subject to extraordinary mandatory redemption as indicated under "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional and required prepayments of Series 2025 Special Assessments by property owners.

Additional Bonds

Under the Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2025 Special Assessments. In addition, the District will covenant not to issue any other Bonds or debt obligations for capital projects secured by Special Assessments on the assessable lands within the District that are subject to the Series 2025 Special Assessments until such time as the Series 2025 Special Assessments are Substantially Absorbed or the Majority Holder has consented in writing. "Substantially Absorbed" means the date at least 90% of the principal portion of the Series 2025 Special Assessments have been assigned to residential units within Assessment Area One that have received certificates of occupancy. The District shall present the Trustee with a certification that the Series 2025 Special Assessments are Substantially Absorbed, and the Trustee may rely conclusively upon such certification and shall have no duty to verify if the Series 2025 Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Series 2025 Special Assessments have not been Substantially Absorbed. Such covenant shall not prohibit the District from issuing refunding Bonds or any Bonds or other obligations secured by Special Assessments levied on District Lands not subject to the Series 2025 Special Assessments, or to finance any other capital project that is necessary to remediate any natural disaster, catastrophic damage or failure with respect to the Series 2025 Project.

The District, subject to the limitations set forth in the preceding paragraph, and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2025 Special Assessments without the consent of the Owners of the Series 2025 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2025 Special Assessments on the same lands upon which the Series 2025 Special Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising the Projects that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity, as to which no assessments of the District will be imposed and (b) except as otherwise permitted in the Master Indenture, it will not sell, lease or otherwise dispose of or encumber any Projects or any part thereof. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" herein.

Acquisition and Construction Account

The Indenture establishes a separate account within the Acquisition and Construction Fund designated as the "Series 2025 Acquisition and Construction Account." Net proceeds of the Series 2025 Bonds shall initially be deposited into the Series 2025 Acquisition and Construction Account in the amount set forth in the First Supplemental Indenture. Funds on deposit in the Series 2025 Acquisition and

Construction Account shall only be requested by the District to be applied to the Costs of the Series 2025 Project, subject to the First Supplemental Indenture.

Following the Completion Date for the Series 2025 Project, all moneys remaining in the Series 2025 Acquisition and Construction Account shall be transferred to the Series 2025 General Redemption Subaccount, as directed in writing by the District Manager, on behalf of the District to the Trustee to be applied as set forth in the First Supplemental Indenture. The Trustee shall not be responsible for determining the amounts in the Series 2025 Acquisition and Construction Account and subaccounts allocable to the Series 2025 Project or any transfers made to such Accounts in accordance with direction from the District Manager.

The Trustee shall make no such transfers from the Series 2025 Acquisition and Construction Account to the Series 2025 General Redemption Subaccount if an Event of Default exists with respect to the Series 2025 Bonds of which the Trustee has actual knowledge as described in the Master Indenture. Except as provided in the First Supplemental Indenture, only upon presentment to the Trustee of a properly signed requisition in substantially the form attached to the First Supplemental Indenture shall the Trustee withdraw moneys from the Series 2025 Acquisition and Construction Account or subaccounts therein. After no funds remain in the Series 2025 Acquisition and Construction Account, such Account shall be closed.

Anything in the Indenture to the contrary notwithstanding, the District will acknowledge in the First Supplemental Indenture that the Series 2025 Pledged Revenues securing the Series 2025 Bonds include, without limitation, all amounts on deposit in the Series 2025 Acquisition and Construction Account then held by the Trustee and that, upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, (i) the Series 2025 Pledged Revenues may not be used by the District (whether to pay costs of the Series 2025 Project or otherwise) without the consent of the Majority Holders and (ii) the Series 2025 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay costs and expenses incurred in connection with the pursuit of remedies under the First Supplemental Indenture; provided, however notwithstanding anything in the Indenture to the contrary, the Trustee is also authorized to utilize the Series 2025 Pledged Revenues to pay fees and expenses as provided in the Master Indenture.

Reserve Account

The Indenture establishes a separate account within the Debt Service Reserve Fund solely for the benefit of the Series 2025 Bonds designated as the "Series 2025 Reserve Account." Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Reserve Account in the amount of the Series 2025 Reserve Requirement, and such moneys, together with any other moneys deposited into the Series 2025 Reserve Account shall be applied for the purposes provided in the Indenture.

"Series 2025 Reserve Requirement" or "Reserve Requirement" shall be an amount equal to the maximum annual debt service on the Series 2025 Bonds as calculated from time to time. For the purpose of calculating the Series 2025 Reserve Requirement, maximum annual debt service shall be recalculated in connection with the extraordinary mandatory redemption described in the First Supplemental Indenture (but not upon the optional or mandatory sinking fund redemption thereof) and such excess amount shall be released from the Series 2025 Reserve Account and transferred to the Series 2025 General Redemption Subaccount or the Series 2025 Prepayment Subaccount, as applicable, in accordance with the provisions of the First Supplemental Indenture. Amounts on deposit in the Series 2025 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2025 Bonds be used to pay principal of and interest on the Series 2025 Bonds at that time. Initially, the Series 2025 Reserve Requirement shall be equal to \$_____.

Notwithstanding any provisions in the Master Indenture to the contrary, the District will covenant in the Indenture not to substitute the cash and Investment Securities on deposit in the Series 2025 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2025 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2025 Reserve Account and transfer any excess therein above the Series 2025 Reserve Requirement resulting from investment earnings to the Series 2025 Revenue Account in accordance with the Indenture.

Subject to the provisions of the First Supplemental Indenture, on any date the District receives notice from the District Manager that a landowner wishes to prepay its Series 2025 Special Assessments relating to the benefited property of such landowner, or as a result of a mandatory true-up payment, the District shall, or shall cause the District Manager on behalf of the District to calculate, the principal amount of such Prepayment, taking into account a credit against the amount of the Series 2025 Prepayment Principal due by the amount of money in the Series 2025 Reserve Account that will exceed the Series 2025 Reserve Requirement for the Series 2025 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the respective landowner from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with the Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding any of the foregoing, amounts on deposit in the Series 2025 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2025 Bonds, to the Series 2025 General Redemption Subaccount, if as a result of the application of the provisions of the Master Indenture with respect to Events of Default, the proceeds received from lands sold subject to the Series 2025 Special Assessments and applied to redeem a portion of the Series 2025 Bonds is less than the principal amount of Series 2025 Bonds indebtedness attributable to such lands.

In addition, and together with the moneys transferred from the Series 2025 Reserve Account pursuant to the First Supplemental Indenture, if the amount on deposit in the Series 2025 General Redemption Subaccount is not sufficient to redeem a principal amount of the Series 2025 Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Series 2025 Revenue Account to round up the amount in the Series 2025 General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2025 Revenue Account shall be made to pay interest on and/or principal of the Series 2025 Bonds for the redemption pursuant to the First Supplemental Indenture if as a result the deposits required under the First Supplemental Indenture cannot be made in full.

It shall be an event of default under the Indenture if at any time the amount in the Series 2025 Reserve Account is less than the Reserve Requirement therefor as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement for the Series 2025 Bonds and such amount has not been restored within thirty (30) days of such withdrawal.

Deposit and Application of the Pledged Revenues

Pursuant to the Indenture, the Trustee shall establish a separate account with the Revenue Fund designated as the "Series 2025 Revenue Account." Series 2025 Special Assessments (except for

Prepayments of Series 2025 Special Assessments which shall be identified as such by the District to the Trustee and deposited in the Series 2025 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2025 Revenue Account and applied as set forth in the Indenture. The Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account to the Funds, and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing November 1, 2025, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2025 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 20[26], to the Series 2025 Sinking Fund Account, an amount equal to the principal amount of Series 2025 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2025 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2025 Bonds remain Outstanding, to the Series 2025 Reserve Account, equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2025 Reserve Requirement for the Series 2025 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2025 Interest Account, the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2025 Costs of Issuance Account upon the written request of the District to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2025 Bonds and next, any balance in the Series 2025 Revenue Account shall remain on deposit in such Series 2025 Revenue Account, unless needed to be transferred to the Series 2025 Prepayment Subaccount for the purposes of rounding the principal amount of a Series 2025 Bond subject to extraordinary mandatory redemption pursuant to the First Supplemental Indenture to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2025 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

In addition to a redemption of Series 2025 Bonds from Prepayments on deposit in the Series 2025 Prepayment Subaccount, the Trustee is further authorized, upon written direction from the Issuer, to transfer from the Series 2025 Revenue Account to the Series 2025 General Redemption Subaccount sufficient funds to cause the redemption of the next closest Authorized Denomination of Series 2025 Bonds, as provided in the First Supplemental Indenture.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in the Series Accounts in the Debt Service Fund and any Series Account within the Bond Redemption Fund only in Investment Securities (as defined in the Master Indenture). The Trustee shall, as directed by the District in writing, invest moneys held in the Series 2025 Reserve Account of the Debt Service Reserve Fund in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Master Indenture. All securities securing

investments under the Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the Indenture, any interest and other income so received shall be deposited in the applicable Series Account of the Revenue Fund. Upon written request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the respective Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto.

Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner

For purposes of the following, (a) the Series 2025 Bonds secured by and payable from Special Assessments levied against property owned by any Insolvent Taxpayer (defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Special Assessments levied against any Insolvent Taxpayer's property and pledged under a Supplemental Indenture as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments."

The Master Indenture will contain the following provisions which, pursuant to the Master Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (herein, an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District has agreed in the Master Indenture that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Master Indenture, the District will acknowledge and agree that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District will agree in the Master Indenture that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) the District will agree in the Master Indenture that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either

directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) the Trustee shall have the right, but is not obligated to, (i) to the extent permitted by law, vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal of the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District has agreed in the Master Indenture that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. See "BONDOWNERS' RISKS – Bankruptcy Risks" herein.

Events of Default and Remedies

The Master Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2025 Bonds:

- (a) if payment of any installment of interest on any Series 2025 Bond is not made when it becomes due and payable; or
- (b) if payment of the principal or Redemption Price of any Series 2025 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or
- (c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, as determined by a Majority Holder of the Series 2025 Bonds; or
- (d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or
- (e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2025 Bond and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holder of the Outstanding Series 2025 Bonds; provided, however, that if such performance requires work to be done,

actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Debt Service Reserve Fund or any account therein is less than the Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2025 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) if, at any time after eighteen months following issuance of the Series 2025 Bonds, more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District lands upon which the Series 2025 Special Assessments are levied to secure the Series 2025 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Series 2025 Bonds shall be subject to acceleration. Upon occurrence and continuance of an Event of Default with respect to the Series 2025 Bonds, no optional redemption or extraordinary mandatory redemption of Series 2025 Bonds pursuant to the Indenture shall occur unless all of the Series 2025 Bonds will be redeemed or if 100% of the Holders of the Series 2025 Bonds agree to such redemption.

If any Event of Default with respect to the Series 2025 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holder of the Outstanding Series 2025 Bonds and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2025 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Bondholders of the Series 2025 Bonds and to perform its or their duties under the Act;

(b) bring suit upon the Series 2025 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2025 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2025 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2025 Bonds.

If any proceeding taken by the Trustee on account of any Event of Default with respect to the Series 2025 Bonds is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the Paying Agent and the Bondholders of the Series 2025 Bonds shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

Subject to the provisions of the Indenture, the Majority Holder of the Outstanding Series 2025 Bonds then subject to remedial proceedings under the Master Indenture shall have the right to direct the

method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2025 Bonds is the collection of Series 2025 Special Assessments imposed on District Lands in Assessment Area One specially benefited by the Series 2025 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY" attached hereto.

The imposition, levy, and collection of Series 2025 Special Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Glades County Tax Collector ("Tax Collector") or the Glades County Property Appraiser ("Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2025 Special Assessments during any year. Such delays in the collection of Series 2025 Special Assessments, or complete inability to collect the Series 2025 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2025 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2025 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2025 Bonds.

For the Series 2025 Special Assessments to be valid, the Series 2025 Special Assessments must meet two requirements: (1) the benefit from the Series 2025 Project to the lands subject to the Series 2025 Special Assessments must exceed or equal the amount of the Series 2025 Special Assessments, and (2) the Series 2025 Special Assessments must be fairly and reasonably allocated across all such benefitted properties.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2025 Special Assessments through a variety of methods. Initially, and for undeveloped properties owned by the Developer, the District will directly issue annual bills to landowners requiring payment of the Series 2025 Special Assessments and will enforce that bill through foreclosure proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "APPENDIX D: ASSESSMENT METHODOLOGY." As lands are developed and platted, the Series 2025 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2025 Special Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2025 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under

Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2025 Special Assessments and the ability to foreclose the lien of such Series 2025 Special Assessments upon the failure to pay such Series 2025 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2025 Special Assessments. See "BONDOWNERS' RISKS."

Uniform Method Procedure

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2025 Special Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2025 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2025 Special Assessments will be collected together with the County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the Series 2025 Special Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2025 Special Assessments. In other words, any partial prepayment by a landowner must be distributed in equal proportion to all taxing districts and levying authorities.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2025 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2025 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2025 Bonds.

Under the Uniform Method, if the Series 2025 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2025 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2025 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2025 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2025 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2025 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2025 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2025 Special Assessments), interest, costs and charges on the real property described in the certificate.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven (7) years after the date of issuance if a tax deed has not been applied for and no other administrative or legal proceeding, including a bankruptcy, has existed of record. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on

property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens, certain easements, and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates, accrued taxes, and liens of any nature against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2025 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2025 Special Assessments, which are the primary source of payment of the Series 2025 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDHOLDERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2025 Bonds offered hereby and are set forth below. Prospective investors in the Series 2025 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2025 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2025 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2025 Bonds.

Concentration of Land Ownership

As of the date hereof, the Developer owns all of the assessable lands within Assessment Area One, which are the lands that will be subject to the Series 2025 Special Assessments securing the Series 2025 Bonds. Payment of the Series 2025 Special Assessments is primarily dependent upon their timely payment by the Developer and the other future landowners in Assessment Area One. Non-payment of the Series 2025 Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Series 2025 Bonds. See "THE DEVELOPER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2025 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner to pay the Series 2025 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2025 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2025 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2025 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2025 Bonds, including, without limitation, enforcement of the obligation to pay Series 2025 Special Assessments and the ability of the District to foreclose the lien of the Series 2025 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2025 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was

placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

Series 2025 Special Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2025 Bonds is the timely collection of the Series 2025 Special Assessments. The Series 2025 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Developer or subsequent landowners will be able to pay the Series 2025 Special Assessments or that they will pay such Series 2025 Special Assessments even though financially able to do so. Neither the Developer nor any other subsequent landowners have any personal obligation to pay the Series 2025 Special Assessments. Neither the Developer nor any subsequent landowners are guarantors of payment of any Series 2025 Special Assessments, and the recourse for the failure of the Developer or any subsequent landowner to pay the Series 2025 Special Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2025 Special Assessments, as described herein. Therefore the likelihood of collection of the Series 2025 Special Assessments may ultimately depend on the market value of the land subject to the Series 2025 Special Assessments. While the ability of the Developer or subsequent landowners to pay the Series 2025 Special Assessments is a relevant factor, the willingness of the Developer or subsequent landowners to pay the Series 2025 Special Assessments, which may also be affected by the value of the land subject to the Series 2025 Special Assessments, is also an important factor in the collection of Series 2025 Special Assessments. The failure of the Developer or subsequent landowners to pay the Series 2025 Special Assessments could render the District unable to collect delinquent Series 2025 Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2025 Bonds.

Regulatory and Environmental Risks

The development of the District Lands, including Assessment Area One, is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of Assessment Area One and the likelihood of timely payment of principal and interest on the Series 2025 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2025 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Such information is being provided

solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Series 2025 Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in Assessment Area One.

The value of the lands subject to the Series 2025 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2025 Bonds. The Series 2025 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of Assessment Area One and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer. Moreover, the Developer has the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2025 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2025 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2025 Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2025 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2025 Special Assessment, even though the landowner is not contesting the amount of the Series 2025 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must

pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2025 Bonds

The Series 2025 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2025 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2025 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2025 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2025 Bonds, depending on the progress of development of the Development and the lands within Assessment Area One, as applicable, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2025 Special Assessments, may not adversely affect the timely payment of debt service on the Series 2025 Bonds because of the moneys on deposit in the Series 2025 Reserve Account. The ability of the Series 2025 Reserve Account to fund deficiencies caused by delinquencies in the payment of the Series 2025 Special Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2025 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in the Series 2025 Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2025 Special Assessments, the moneys on deposit in the Series 2025 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Series 2025 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2025 Reserve Account and such other Funds, Accounts and subaccounts created under the Master Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2025 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2025 Special Assessments in order to provide for the replenishment of the Series 2025 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Reserve Account" herein for more information about the Series 2025 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2025 Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2025 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code (as defined herein), there are limitations on the amounts of proceeds from the Series 2025 Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general

elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2025 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2025 Bonds are advised that, if the IRS does audit the Series 2025 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2025 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2025 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds would adversely affect the availability of any secondary market for the Series 2025 Bonds. Should interest on the Series 2025 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2025 Bonds be required to pay income taxes on the interest received on such Series 2025 Bonds and related penalties, but because the interest rate on such Series 2025 Bonds will not be adequate to compensate Owners of the Series 2025 Bonds for the income taxes due on such interest, the value of the Series 2025 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2025 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2025 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2025 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2025 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2025 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

The Series 2025 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2025 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2025 Bonds would need to ensure that subsequent transfers of the Series 2025 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2025 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2025 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2025 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "[t]he state pledges to the holders of any bonds issued under this act that it will not limit or alter the rights of the district to ... levy and collect the ... assessments ... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not in any way impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete Development

The cost to finish the Series 2025 Project will exceed the net proceeds from the Series 2025 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Series 2025 Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Series 2025 Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Additional Bonds" for more information.

Although the Developer will agree to fund or cause to be funded the completion of the Series 2025 Project regardless of the insufficiency of proceeds from the Series 2025 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Developer will have sufficient resources to do so. Such obligation of the Developer is an unsecured obligation[, and the Developer is a special-purpose entity whose assets consist primarily of its interest in the Development]. See "THE DEVELOPER" herein for more information.

There are no assurances that the Series 2025 Project and any other remaining development work associated with the Assessment Area One will be completed. Further, even if development of Assessment Area One is completed, there are no assurances that all of the planned homes will be constructed and sold within Assessment Area One. See "THE DEVELOPER" herein for more information.

Pandemics and Other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the timely and successful completion of the Development, and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2025 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2025 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Series 2025 Special Assessments by the Developer or subsequent owners of the property within Assessment Area One. Any such redemptions of the Series 2025 Bonds would be at the principal amount of such Series 2025 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2025 Bonds may not realize their anticipated rate of return on the Series 2025 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2025 Bonds. See "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions," "– Purchase of Series 2025 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Prepayment of Series 2025 Special Assessments" herein for more information.

Payment of Series 2025 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within Assessment Area One of the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2025 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General

The District is an independent local unit of special-purpose government created in accordance with the Act. The District was established under Ordinance No. 2023-7, which was enacted by the County on April 11, 2023, effective which became effective on April 18, 2023. The District encompasses approximately 526 gross acres of land located within the unincorporated boundaries of the County. The District is located east of State Road 78 and north of Tomato Grade Road. The District Lands are being developed as a planned residential community known as "[Lakefront Estates]" (the "Development"). See "THE DEVELOPMENT" herein for more information.

Governance

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

At the initial election held within 90 days after formation of the District, the landowners in the District elected two Supervisors to four-year terms and three Supervisors to two-year terms. Thereafter, the elections take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under State law governing public officials for a Supervisor to be a stockholder, officer or employee of an owner of the land within the District.

The current members of the Board and the date of expiration of the term of each member are set forth below:

Name	Title	Term Expires
Dovber (Dubi) Blasberg*	Chair	November 2027
[Vacant]*	Vice Chair	November 2025
Jonathan Zion*	Assistant Secretary	November 2025
Bentzion Herman*	Assistant Secretary	November 2027
Jason Matthey Weg*	Assistant Secretary	November 2025

* Elected by the landowners; employee of or affiliated with the Developer or its affiliates.

A majority of the Supervisors constitutes a quorum for the purposes of conducting the business of the District and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of the majority of the Supervisors present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under the State's "sunshine" or open meetings law.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board of Supervisors the authority: (a) to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges, (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system, (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines, (iv) conservation areas, mitigation areas, and wildlife habitat, (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District, and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) to borrow money and issue bonds of the District; (c) to impose and foreclose special assessment liens as provided in the Act; and (d) to exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

Also, pursuant to the Ordinance, the District has been granted special powers pursuant to Sections 190.012(1), 190.012(2)(a) of the Act, as well as Sections 190.012(b) – (f) of the Act if said improvements and each of their specifications are first approved by the County. Such special powers include, but are not limited to, the right to (i) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend,

equip, operate, and maintain additional systems and facilities for parks and facilities for indoor and outdoor recreational, cultural and educational uses; and (ii) construct and maintain a perimeter wall/fence for the District so long as the construction and specifications of the wall/fence are first approved by the County.

The Act does not empower the District to adopt and enforce land use plans or zoning ordinances or to grant building permits. These functions are performed by the County, as applicable, acting through their respective Commissions and departments of government.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2025 Bonds.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager. The Act provides that the District Manager shall have charge and supervision of the works of the District and shall be responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board. Special District Services, Inc., serves as District Manager. The District Manager's corporate office is located at 2501A Burns Road, Palm Beach Gardens, Florida 33410.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Kutak Rock LLP, Tallahassee, Florida, as District Counsel; Greenberg Traurig, P.A., Miami, Florida, as Bond Counsel; and Special District Services, Inc., Palm Beach Gardens, Florida, serves as Methodology Consultant for the Series 2025 Bonds.

No Outstanding Bond Indebtedness

The District has not previously issued any bonds or other similar debt obligations.

THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2025 PROJECT

[Newlines Land Consultants, LLC, d/b/Newlines Engineering & Survey & Steven L Dobbs Engineering] (the "District Engineer"), prepared a First Supplemental Engineer's Report for Lakefront Estates Community Development District, dated March 19, 2025 (the "Supplemental Report") which supplements an Engineer's Report, dated December 2023 prepared by Newlines Engineering and Survey and the District Engineer (the "Master Report," and collectively with the Supplemental Report, the "Engineer's Report"). The Engineer's Report sets forth certain public infrastructure improvements for the development of the approximately 1,300 residential lots and 792,150 square feet of commercial uses planned for the Development (the "Capital Improvement Plan" or "CIP"). The District Engineer, in the Master Engineer's Report, estimated the total cost of the Capital Improvement Plan to be approximately \$110,498,268.

Land development will be phased. Multiple assessment areas will be created to facilitate the District's development and financing plan. Phase 1A of the Development consists of approximately [____] acres of land and is planned to contain 196 residential units and approximately 209,836 square feet of commercial uses ("Assessment Area One"). The remaining phases planned for the Development will be divided into one or more additional assessment areas.

The portion of the Capital Improvement Plan associated with Assessment Area One is referred to herein as the "Series 2025 Project". The Series 2025 Bonds are being issued to finance a portion of the Series 2025 Project. The District Engineer, in the Supplemental Report, estimated the total cost of the Series 2025 Project to be approximately \$28,560,055, as more particularly described below.

Net proceeds of the Series 2025 Bonds will be available to the District in the amount of approximately \$4.92 million* to fund the construction and/or acquisition from the Developer of a portion of the Series 2025 Project. The Developer will enter into a completion agreement that will obligate the

Developer to complete the Series 2025 Project. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

The District anticipates issuing additional bonds in the future to finance further portions of the Capital Improvement Plan associated with lands outside of Assessment Area One. Such bonds will be secured by special assessments levied on lands that will be separate and distinct from the land within Assessment Area One subject to the Series 2025 Special Assessments. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Additional Obligations" herein for more information.

The District Engineer has indicated that all engineering permits necessary to construct the Series 2025 Project as set forth in the Engineer's Report have been obtained or are reasonably expected to be obtained in the ordinary course of business. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Development Approvals" for a more detailed description of the zoning and permitting status of the District. See "APPENDIX A: ENGINEER'S REPORT" attached hereto for more information regarding the above improvements.

ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

The Master Special Assessment Methodology Report for Lakefront Estates Community Development District, dated February 21, 2024, as supplemented by the Preliminary First Supplemental Special Assessment Methodology Report (Assessment Area One), dated as of March 19, 2025 (collectively, the "Assessment Methodology"), which allocates the Series 2025 Special Assessments to the lands within the District, has been prepared by Special District Services, Inc., Palm Beach Gardens, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. A copy of the Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2025 Bonds are determined, the Assessment Methodology will be further supplemented to reflect such final terms. Once levied and imposed, the Series 2025 Special Assessments are a first lien on the assessed lands within the District until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Series 2025 Bonds will be secured by the Series 2025 Special Assessments, which will initially be levied on the approximately [] gross acres within Assessment Area One. As the lands within Assessment Area One are platted, the Series 2025 Special Assessments will be assigned on a first-platted, first-assigned basis on a per unit basis in accordance with the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS."

As full platting of Assessment Area One, the estimated annual Series 2025 Special Assessment levels and the estimated Series 2025 Bond par per unit are expected to be as follows:

Product Type	No. of Units	Annual Series 2025 Special Assessments Per Unit*	Series 2025 Bonds Par Debt Per Unit*
Townhomes 22'	24	\$660	\$9,235
Paired Villas 50'	42	\$1,500	\$20,988
Single-Family 60'	23	\$1,800	\$25,186
Single-Family 75'	84	\$2,250	\$31,482
Single-Family 100'	19	\$3,000	\$41,977
Single-Family 120'	4	\$3,600	\$50,375
Commercial – Religious (1k sf)	19.02	\$100	\$1,399
Commercial – Other Uses (1k sf)	115.35	\$300	\$4,198

* Preliminary, subject to change. Series 2025 Special Assessments collected via the Uniform Method will be grossed up to include County collection costs and an early collection discount allowance, which are currently __%.

The District anticipates levying assessments to cover its operation and maintenance costs that will initially be approximately \$[] to \$[] per unit annually, which amounts are subject to gross up for collection costs and change in future tax years. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The County and the School District of Glades County each levy ad valorem taxes annually upon the land in the District. Voters may approve additional millages levied for general obligation bonds, as to which no limit applies. The total millage rate in the District in 2024 was approximately 17.5448 mills. These taxes will be payable in addition to the Series 2025 Special Assessments and other assessments levied by the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years, taxes levied by these other entities could be substantially higher than in the current year. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information.

The information appearing below under the captions "THE DEVELOPMENT" and "THE DEVELOPER" has been furnished by the Developer for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Developer make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Developer as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Developer is not guaranteeing payment of the Series 2025 Bonds or the Series 2025 Special Assessments.

THE DEVELOPMENT

General

The District Lands encompass approximately 526 gross acres located in unincorporated Glades County, Florida, and are planned to contain a community known as "Lakefront Estates" (the "Development"). The Development is planned to contain approximately 1,300 residential uses and 792,150 square feet of commercial uses – including two schools, four office buildings, two shopping plazas, a warehouse, a medical building, an emergency vehicle garage, a bank, a grocery store, two shuls and a mikvah. The Development is generally located east of State Road 78 and north of Tomato Grade Road. Set forth below is a map which depicts the location of the Development:

Land development will be phased. Multiple assessment areas will be created to facilitate the District's development and financing plan. Phase 1A of the Development consists of approximately [] acres and is planned to contain 196 residential units and approximately 209,836 square feet of commercial uses — including a 61,496-square foot shopping plaza, a 49,854-square foot school and event hall, a 65,000-square foot grocery store, a 14,360-square foot shul, and a 4,660-square foot mikvah ("Assessment Area

One"). The remaining phases planned for the Development will be divided into one or more assessment areas.

The Series 2025 Bonds are being issued to finance a portion of the Series 2025 Project. See "THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2025 PROJECT" herein for more information regarding the improvements constituting the Series 2025 Project.

The Series 2025 Bonds will be secured by the Series 2025 Special Assessments, which at issuance will be levied on the approximately [____] gross acres within Assessment Area One. As the land within Assessment Area One is platted, the Series 2025 Special Assessments will be assigned on a first-platted, first-assigned basis to the residential and commercial uses planned for Assessment Area One in accordance with the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

Okeechobee Community Developers, LLC, a Florida limited liability company (the "Developer"), is the landowner and developer for the Development. See "THE DEVELOPER" herein for more information.

Assessment Area One is planned to contain 196 residential units consisting of (i) 24 townhome units, (ii) 42 paired villa units, (iii) 23 single-family homes on 60' wide lots, (iv) 84 single-family homes on 75' wide lots, (v) 19 single-family homes on 100' wide lots, and (vi) 4 single-family homes on 120' wide lots. Townhomes are expected to range in size from [____] square feet to [____] square feet, with starting prices expected to range from \$[____] to \$[____]. Land Acquisition and Finance Plan

The Developer acquired the land within the Development on November 9, 2021 for approximately \$8.9 million, which was funded as follows: \$[____] from proceeds of the Loan (as defined herein), \$[____] from purchaser deposits, \$[____] from EB-5 Loan (as defined herein) and \$[____] from Developer equity. Approximately \$[____] of the purchase price is attributable to Assessment Area.

The lands within the Development, including Assessment Area One, are also subject to a mortgage securing a Revolving Loan Facility Agreement (the "Construction Loan") in favor of Construction Loan Services II, LLC, a Washington limited liability company (the "Construction Lender") in the principal amount of up to \$50,000,000. As of [____], 2025, the Construction Loan was outstanding in the principal amount of \$[____]. The Construction Loan bears interest at a rate of 9.99%, payable monthly, and has a final maturity date of [April 30, 2024, as may be extended], at which time all outstanding principal and unpaid interest will be due. The proceeds of the EB-5 Loan will be applied toward the funding of the land development and vertical construction of the Development

In addition, the Development is a part of the United States EB-5 Immigrant Investor Program, which allows foreign investors to become permanent residents of the United States in exchange for investing in U.S. businesses. The Development has been designated as a Direct Investment Rural Targeted Employment Area EB-5 Project with Priority Processing. As part of the Development's participation in the EB-5 Program, the lands within the Development are subject to a mortgage securing a construction loan in favor of EB-5 United Okeechobee, LLC, a Delaware limited liability company (the "EB-5 Lender") in the

maximum principal amount of \$25,000,000 (the "EB-5 Loan"). The EB-5 Loan is currently outstanding in the principal amount of \$[_____]. The EB-5 Loan bears interest at a rate of 7% per annum, with a final maturity of [_____, 202_]. The proceeds of the EB-5 Loan will be applied toward the funding of the land development and vertical construction of the Development.

The Developer estimates the total land development costs associated with Assessment Area One to be approximately \$[_____] million. As of [_____, 2025], the Developer had spent approximately \$[_____] million in land development costs associated with Assessment Area One. Net proceeds of the Series 2025 Bonds will be available to the District in the amount of approximately \$4.92 million* to fund the construction and/or acquisition from the Developer of a portion of the Series 2025 Project. Remaining costs not funded with proceeds of the Series 2025 Bonds are expected to be funded from Development equity, deposits from home sales, and proceeds of the Construction Loan and the EB-5 Loan. The Developer will enter into a completion agreement that will obligate the Developer to complete the Series 2025 Project. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Development Plan and Status

Land development associated with Assessment Area One commenced in [_____, 202_] and is expected to be completed by [_____, 202_]. A final plat for Assessment Area One is expected to be recorded by [_____, 202_].

Vertical construction of model homes within Assessment Area One commenced in [January / February] 2025. Sales to homebuyers [commenced/are expected to commence] in [_____] 2025. Closings with homebuyers are expected to commence in [_____, 202_].

Vertical construction of the commercial uses planned for Assessment Area One is expected to commence in [_____, 202_] and is expected to be completed by [_____, 202_].

The Developer anticipates that approximately [_____] units will close with homebuyers per annum within Assessment Area One until buildout. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

Taxes, Fees and Assessments

The Series 2025 Bonds will be secured by the Series 2025 Special Assessments, which will initially be levied on the approximately [____] gross acres within Assessment Area One. As the lands within Assessment Area One are platted, the Series 2025 Special Assessments will be assigned on a first-platted, first-assigned basis on a per unit basis in accordance with the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS."

As full platting of Assessment Area One, the estimated annual Series 2025 Special Assessment levels and the estimated Series 2025 Bond par per unit are expected to be as follows:

Product Type	No. of Units	Annual Series 2025 Special Assessments Per Unit*	Series 2025 Bonds Par Debt Per Unit*

* Preliminary, subject to change. Series 2025 Special Assessments collected via the Uniform Method will be grossed up to include County collection costs and an early collection discount allowance, which are currently __%.

The District anticipates levying assessments to cover its operation and maintenance costs that will initially be approximately \$[____] to \$[____] per unit annually, which amounts are subject to gross up for collection costs and change in future tax years. In addition, at buildout residents will be required to pay homeowners' association fees, which are currently estimated to be \$[_____] per year per unit in the aggregate. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The County and the School District of Glades County each levy ad valorem taxes annually upon the land in the District. Voters may approve additional millages levied for general obligation bonds, as to which no limit applies. The total millage rate in the District in 2024 was approximately 17.5448 mills. These taxes will be payable in addition to the Series 2025 Special Assessments and other assessments levied by the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years, taxes levied by these other entities could be substantially higher than in the current year.

Education

The public schools for children residing in the Development are expected to be [____], [____] and [____], which are located approximately [__] miles, [__] miles, and [__] miles from the Development, respectively, and which were rated [__], [__] and [__], respectively, by the Florida Department of Education in 2024. The Glades County School Board may change school boundaries from time to time and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Developer Agreements

The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the Series 2025 Project not funded with proceeds of the Series 2025 Bonds.

In addition, the Developer will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights (the "Collateral Assignment"), pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating to the Series 2025 Project. Any mortgagees (including the Construction Lender and the EB-5 Lender) may have certain development rights and other rights assigned to them under the terms of their mortgages relating to the Development, which may be superior to such rights that might otherwise be assigned to the District under the terms of the Collateral

Assignment. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2025 Special Assessments as a result of the Developer's or subsequent landowners' failure to pay such assessments, there is a risk that the District, or its designee, if any, will not have all of the permits, entitlements and real estate interests necessary to complete the Series 2025 Project or the development of Assessment Area One.

Finally, the Developer will also enter into a True-Up Agreement in connection with its obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in Assessment Area One increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism."

Such obligations of the Developer are unsecured obligations[, and the Developer is a special-purpose entity whose assets consist primarily of its interests in the Development]. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" and "THE DEVELOPER" herein for more information regarding the Developer.

THE DEVELOPER

Okeechobee Community Developers, LLC, a Florida limited liability company (the "Developer"), is the sole landowner and developer for the Development. The Developer is a special-purpose entity that was formed on October 28, 2021. Its members are JAM Equities, LLC ("JAM Equities"), as to a 50% membership interest, Okeechobee SPV Holdings I, LLC ("Okeechobee SPV"), as to a 10% membership interest, Okeechobee LH, LLC ("Okeechobee LH") as to a 21.25% membership interest, and Okeechobee Member, LLC ("Okeechobee Member") as to an 18.75% membership interest. JAM Equities serves as the sole manager of the Developer. Biographies of the Developer's principals are set forth below.

[Biographies to come]

Neither the Developer nor any of the other entities or individuals listed above are guaranteeing payment of the Series 2025 Bonds or the Series 2025 Special Assessments. None of the entities or individuals listed herein, other than the Developer, has entered into any agreements in connection with the issuance of the Series 2025 Bonds.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements that the District must continue to meet after the issuance of the Series 2025 Bonds in order that the interest on the Series 2025 Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Series 2025 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2025 Bonds. The District has covenanted in the Bond Resolution to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2025 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings, and court decisions, the interest on the Series 2025 Bonds is excludable from gross income of the holders thereof for federal income tax purposes; and, further, interest on the Series 2025 Bonds is not an item of tax preference for purposes of the federal alternative

minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2025 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2025 Bonds and the interest thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income, or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their own tax advisors as to the status of interest on the Series 2025 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2025 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developer, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2025 Bonds will be and will remain obligations the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2025 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2025 Bonds, or the ownership or disposition of the Series 2025 Bonds. Prospective purchasers of Series 2025 Bonds should be aware that the ownership of Series 2025 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2025 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2025 Bonds, (iii) the inclusion of the interest on the Series 2025 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2025 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2025 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2025 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2025 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2025 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2025 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (*i.e.*, for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2025 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale, or other disposition of that Discount Bond.

Certain of the Series 2025 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity), or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced, or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2025 Bonds, or adversely affect the market price or marketability of the Series 2025 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2025 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2025 Bonds from gross income for

federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2025 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2025 Bonds and proceeds from the sale of Series 2025 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2025 Bonds. This withholding generally applies if the owner of Series 2025 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2025 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2025 Bonds, that it will not limit or alter the rights of the issuer of such bonds, including the District, to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects, including the Series 2025 Project funded by the Series 2025 Bonds, or to levy and collect taxes, assessments, rentals, rates, fees and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities that may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2025 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds. Investment in the Series 2025 Bonds poses certain economic risks. No dealer, broker, salesman or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Series 2025 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2025 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of

the Series 2025 Bonds will be qualified, as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors and enacted before or after such delivery.

FINANCIAL STATEMENTS

This District will covenant in a Continuing Disclosure Agreement, the proposed form of which is set forth in APPENDIX E hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX E, commencing with the audit for the District fiscal year ending September 30, 2025. Attached hereto as APPENDIX F is a copy of the District's audited financial statements for the District's fiscal year ended September 30, [2023], as well as the District's unaudited monthly financial statements for the period ended [____, 2025]. Such financial statements, including the auditor's report included within the audited financial statements, have been included in this Limited Offering Memorandum as public documents and consent from the auditor was not requested. Further, the auditors have not performed any services related to, and therefore are not associated with, the preparation of this Limited Offering Memorandum. The Series 2025 Bonds are not general obligation bonds of the District and are payable solely from the Series 2025 Pledged Revenues.

By the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2025 Bonds, or in any way contesting or affecting (i) the validity of the Series 2025 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2025 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Developer

The Developer has represented in connection with the Series 2025 Bond issuance that there is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Developer to complete the development of the District Lands as described herein, materially and adversely affect the ability of the Developer to pay the Series 2025 Special Assessments imposed against the lands within Assessment Area One or materially and adversely affect the ability of the Developer to perform its obligations described in this Limited Offering Memorandum.

NO RATING

No application for a rating of the Series 2025 Bonds has been made to any rating agency, nor is there any reason to believe that the District would have been successful in obtaining an investment grade rating for the Series 2025 Bonds had application been made.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District has not issued any debt obligations and, therefore, is not and has never been in default on any bonds or other debt obligations since December 31, 1975.

CONTINUING DISCLOSURE

The District and the Developer will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX E, for the benefit of the Series 2025 Bondholders (including owners of beneficial interests in such Series 2025 Bonds), to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT" attached hereto. Under certain circumstances, the failure of the District or the Developer to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2025 Bondholders (including owners of beneficial interests in such Series 2025 Bonds) to bring an action for specific performance.

The District has not previously issued any bonds and has not previously entered into any continuing disclosure obligations pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"). The District will appoint the District Manager as the dissemination agent in the Disclosure Agreement and anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement.

[The Developer has not previously entered into any continuing disclosure obligations pursuant to the Rule. The Developer anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement.]

UNDERWRITING

FMSbonds, Inc. (the "Underwriter"), has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2025 Bonds from the District at a purchase price of \$_____ (par amount of the Series 2025 Bonds, [plus/less an original issue premium/discount of \$_____ and] less an Underwriter's discount of \$_____). The Underwriter's obligations are subject to certain conditions precedent and the Underwriter will be obligated to purchase all of the Series 2025 Bonds if any Series 2025 Bonds are purchased.

The Series 2025 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

CONTINGENT FEES
